***Proceeds are going to the Golden Link College in the Philippines***

*This education project is conducted by the TOS in the Philippines. The Golden Link College provides an education from kindergarten to College for underprivileged children. In addition to the academic curriculum, there is a focus on social and emotional learning including the promotion of compassion for all living beings. Students regularly participate in activities serving their community. This school provides life-changing opportunities for its students. All donated funds are spent on the school, since administrative tasks in both Australia and the Philippines are done by volunteers.*
